FRIENDS OF THOMAS THE TANK ENGINE

24th & 25th May '98 • 26th & 27th Sept '98

"The Fat Controller" so enjoyed his trip to the Bure Valley Railway last year that he has decided to visit us again in 1998. "Toby" the Tram and "The Troublesome Trucks" will be giving rides at Aylsham Station while all our other really useful engines will be working hard to keep to time on the main line. As well as the trains, there will be side shows, a bouncy castle, competitions, a film show, face painting, a model railway and so much to see and do that you had better come early and be prepared to stay 'til late!

— SANTA SPECIALS

Your Christmas treat starts when you join one of our express trains at Wroxham Station. Specially heated coaches keep out the winter chills during the 45 minute journey to Santa's Grotto at Aylsham. As you alight from the train Father Christmas will arrive to meet you in his own railway sleigh. Every child will receive a special present from Santa himself, and all the family are invited to partake of seasonal refreshments in our festively decorated coffee shop before rejoining the train for the return ride to Wroxham.

— STEAM DRIVING COURSES

Have you ever wondered what it is like to drive our steam engines?

Well, now you can find out by joining one of our 'Steam Driving Courses'. Designed by our Managing Director, there are a number of different courses aimed at everyone from the absolute beginner upwards.

One and two day courses are available at £95 and £175 respectively and the course fees include everything from tuition to lunch. A place on one of our courses makes an ideal and unusual gift for a loved one.
