River Trips

Why not enjoy a relaxing and peaceful river trip along the Western Yar Estuary.

See the wide range of wading birds and wildfowl that are specially adapted to life on the mudflats and salt marsh as you slowly cruise along the river.

So if you have 30 minutes to spare, pop along to the lifeboat pontoon on the hour or half hour where one of our boats will be waiting.

Trips run from 10.00am until Dusk
seven days a week. Weather permitting.
