The Next Generation of Freestyle Cruising®

NORWEGIAN CRUISE LINE
FREESTYLE CRUISING®

Dear Travel Partner,

Welcome to the next exciting chapter in our quest to offer the ultimate in freedom and flexibility at sea. In this chapter, we reveal more details about the ship's beautiful accommodations. Norwegian Epic takes Freestyle Cruising® to the next level with a range of staterooms that complement both the ship's exciting new features and tropical allure of her Caribbean itinerary.

Earlier, we revealed how NCL is once again throwing the industry a curve by introducing the most innovative living spaces at sea with our New Wave Deluxe Balcony, Balcony and Inside Staterooms. Norwegian Epic also features a range of accommodations tailored to spa lovers and families; innovative Studios with a shared "Living Room" and the largest suite complex at sea expanding our ever popular ship-within-a-ship concept with more Suites and Courtyard Villas than ever before.

The accommodations of Norwegian Epic are truly amazing, befitting the largest and most innovative Freestyle Cruising ship to date. And we have so much more to tell you. Stay tuned for additional announcements in the very near future. We look forward to welcoming you on board Norwegian Epic in the summer of 2010.

Sincerely,

KEVIN SHEEHAN
CEO
