Sail through the Breydon Bridge as it opens for our passage onto this ever changing tidal estuary. See its abundant birdlife and then enjoy a short cruise along both the river Waveney and river Yare. We pass the 2,000 year old Roman fort at Burgh Castle and the Broads tallest windmill at the RSPB Berney Reserve.

After enjoying the many sights from our *Explorer Cruise* we sail up the river Yare to moor beneath the famous Berney Arms Windmill.
