

SWEENEY'S CRUISES LOCH LOMOND

WHATEVER THE OCCASION OR TIME OF YEAR
ENJOY LOCH LOMOND IN ALL ITS SEASONAL BEAUTY
IN STYLE AND COMFORT.

Sweeney's Cruises is a family run business and has been operating boats on Loch Lomond for over 100 years. We operate three passenger boats: Silver Marlin, Skylark IX and Lomond Sunrise. The Silver Marlin sailed from London to Balloch in 1992 and now cruises majestically on the Queen of Scottish Lochs.

The Silver Marlin can be as formal or informal as you please. We can provide entertainment from Jazz Bands, Ceilidhs to a Disco or Taped Music.

Our luxurious interior with mahogany panelling, deep buttoned upholstered seating, thick piled carpeting and a large well stocked bar gives the lower deck a ‘Captain’s Table’ atmosphere.

The upper deck with its flexible seating arrangements allows us to transform it from a dining/conference area to a dance floor.
