Originally named 'Berry Castle' on her launch at Dartmouth in 1949, she spent many years plying the River Dart and the surrounding coast. She was later renamed 'Totnes Castle' and worked Plymouth Sound. In 2005 she came to Ullswater and underwent

a full refurbishment ready for her re-launch as 'Lady Wakefield'. With a fourth vessel we are now able to offer enhanced opportunities for weddings, conferences and group trade, as well as increased capacity and comfort on our scheduled services.
